The Spirit of Life, dedicated July 14, 1915 was designed by the famous Daniel Chester French who sculpted the seated figure of Lincoln in the Lincoln Memorial in Washington D.C. On the statue, which is the true symbol of Saratoga Springs High School, is this inscription written by the late Chief Justice Charles Evans Hughes: "His chief aim was to do good and serve his fellow man."

Veronica,

It was nice having you in my Social Studies class. It took the year to get that it and I'm glad it's over. Now only the FINAL good

luck I know you'll do well. Maybe I'll bump into you this summer. Take care and have a good one. Your friend

THE TWILIGHT ZONE

Patrick Graham, a junior at Saratoga Springs High School. A man dealt a poor hand from the great big dealer in the sky. Pat was born with the humiliating birth defect of having a pen protruding from his mouth, a defect he has been able to conceal remarkably well until now. His was the first documented case ever of this cruel defect arising from excessive writer's cramp during his mother's pregnancy. We learned later, that Patrick is undergoing surgery at this time and his condition is unknown.

Apparently, Pat's condition isn't all that uncommon.

Handwritten note:

JUST CLOWNING AROUND

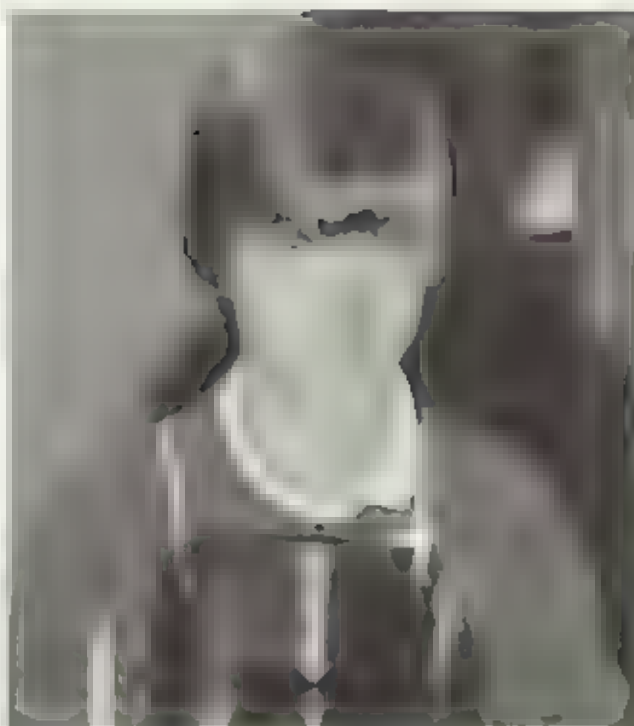

Earlier this year, a strange plague overtaken Sarraga High School, transforming a number of students and a few faculty members into beasts and zombies who roamed the hallways.

For several weeks, the strange creatures nearly overtook the school, while school officials tried to find the origin of the odd disease. Finally, Tom Cottone, a student and part-time P.I., discovered what caused the transformation while in the machine. Unaffected humans are completely transformed into beasts and zombies around the clock, in the middle of the night, and on weekends, trying to find an antidote to reverse the horrible transformation that almost 1/5 of the school had undergone. The search continued until finally.

This man found the cure
People lined up outside the
auxiliary gym to receive the
antidote until finally everyone
was attended to

The transformation back was swift, and immediately
afterwards, students and school officials began an in-
tensive search to find the person or possibly terrorist
organization behind this

To this date, no one has been found responsible

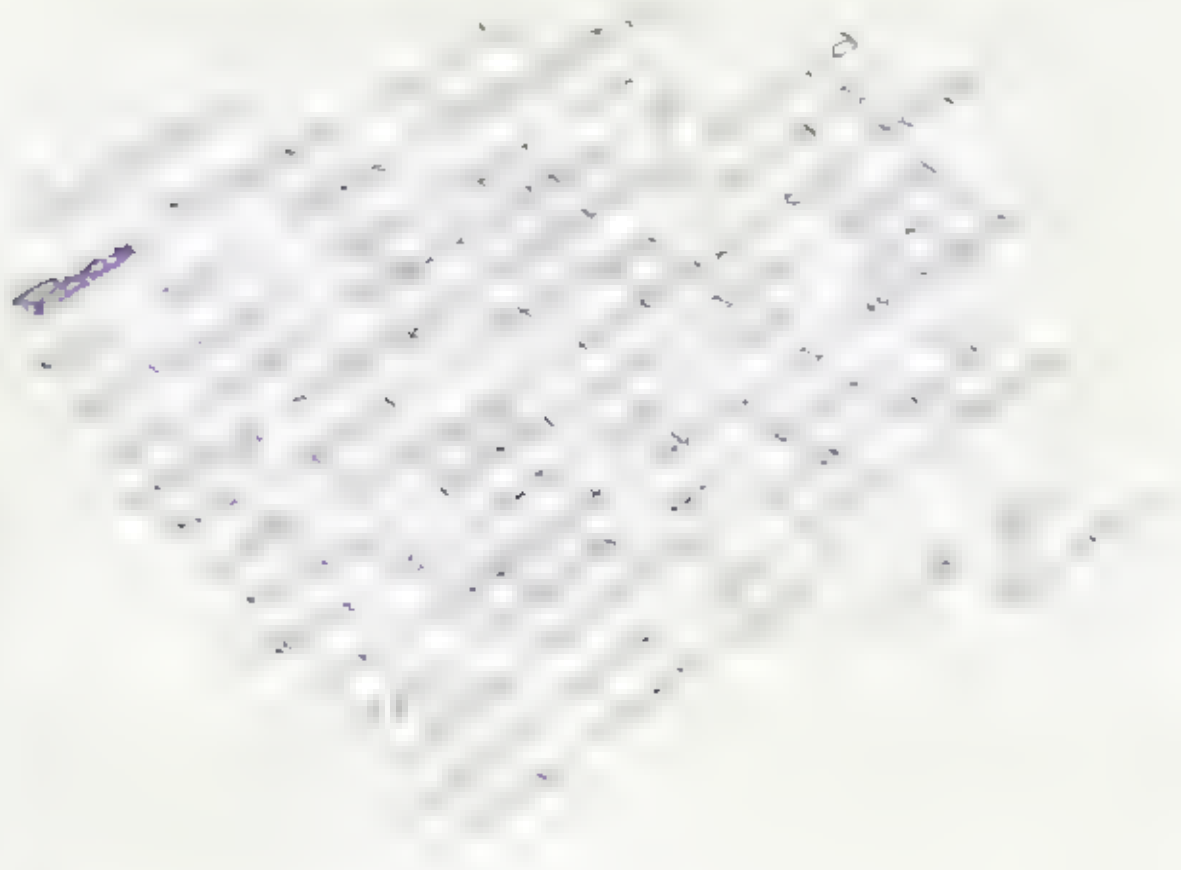

but we have our suspicions

Today, the only four people that the antidote had
apparently no effect on have come out of hiding
and are trying to lead normal lives as students at
Saratoga High

Due to the Commissioner of Education's ruling that the yearbook can no longer contract a professional photographer to do senior portraits, a strict guideline for pictures had to be enforced to keep uniformity. Therefore, the last pictures have been placed out of order. We apologize for any inconvenience or further confusion.

I'm not home now
 but I'll be out to see you
 sometime over the summer

Love you

1. The first thing I noticed when I stepped
 out of the plane was the cold. It was a
 sharp contrast to the warm air of the
 airport. I shivered as I walked towards
 the car. The driver was a young man
 with a friendly smile. He greeted me
 warmly and helped me with my luggage.
 As we drove through the city, I saw
 the beautiful architecture and the
 vibrant colors of the buildings. The
 streets were filled with people and
 the air was filled with the sound of
 traffic. I felt like I had entered a
 new world.

1986 SENIOR INDEX

The 1986 Senior Index started out as just a good idea. At first it seemed like a lot of extra work piled on top of the already time-consuming task of putting together a yearbook, but after a lot of serious thought and a willingness to work, the 1986 Recorder Staff decided to make the Index an addition to the Recorder. The next eight pages are the result of months of hard legwork and typing. We hope that you, as graduating seniors, faculty, and underclassmen, find this index both informative and useful towards getting to know Saratoga Springs High School's graduating class for 1986.

The Index is organized alphabetically by last name and works in the following manner:

Senior's name

Senior's Preferred Nickname

Month and Day of Birth

Any clubs or sports that Senior participated in

If the Senior had no sports or activities, then Hobbies and Interests are listed

The pages that the Senior appears on, excluding candid pages

YEARBOOK

1st PLACE

On the evening of February 28, 1986, the first annual Yearbook Aid lip sync contest/concert was held. Over 260 students filled up the T.A. to witness the first of its kind event. Ten acts competed in two rounds, syncing songs as popular as Madonna's "Crazy For You" and the Pointer Sisters' "Neutron Dance" and as outrageous as "I Love Onions." All the acts were outstanding, which made it very difficult for celebrity judges, Dave Patterson, Arlene Strader, and her husband, Mr. Strader. However, after two and a half hours of competition, the \$50 grand prize was awarded to the group, Bellevue for syncing "They're Coming to Take Me Away" and "I Love Onions." Second place went to Spazz for "Revenge of the Nerds" and "Lamar's Rapp." Third place went to the Four Seasons and a Month for "Tempted" and "Oh, What a Night." The yearbook staff would like to extend their thanks to Tim Hamer, our light and sound engineer, Ken Mark, our celebrity judges, and all the participants for making this event possible.

Friends
Friends are hard to come by,
Friends are hard to choose,
A real good friendship never dies
Good friends you never lose,
Friends are not like autumn leaves
You find everywhere,
But friends are like diamonds
Very precious and very rare.

Kristen Schneider

Farewell Now, My Friend

I love you, my friend
You're quite dear to me,
A true friend you are
And always will be
But you're leaving me soon
And going your own way,
Perhaps we will meet
In the future someday,
You've left me with memories
Of good times we've had,
To treasure forever
And make me feel glad,
I wish you good luck
In all that you do,
May all of life's pleasures
Come your way too
And please may you find
Some remembrances of me
Always in your mind

Trends change as the times change, and such was the case for this past school year. Many things affected our lives as High School students, ranging from television and the media, down to simple fads that will be gone as quickly as they come

For the 1985-86 school year, Saratoga Springs High School students voted that the event which most affected them this year was the tragic explosion of the space shuttle Challenger

The most popular television show for the year was tied between Miami Vice and the Cosby Show. This year's fashion fad also goes along with this because Saratoga students voted that the Don Johnson-look was most prominent

And finally, the favorite movie for the year was also a tie between Rambo and Back to the Future

You should write

I hope you will be

It was a year of serious trials: selling ads, meeting deadlines, and keeping our tempers, but we managed, and had a lot of fun in doing it. I have to thank my editorial staff: Beth Sciarano, Sarah Parks, and Cassandra Garcia for their help with the pages. Without them, this would have been a much smaller book. I must also thank Jeanne Bouchard and Wendy Renadette for the outstanding job they done with **Yearbook Aid**; we desperately needed the dough. My thanks also go to Melissa Recker and the business staff for working so hard to sell those ads. We had a big yearbook with an even bigger bill, so definitely, without your efforts this book would not have been possible. Lastly, I thank Mr. Stanton whose smiling face and dirty jokes kept us going when things were looking down. 'Jim, it's gonna be all right!' Oh, and we can't forget Miss Pastore for without her infinite guidance and business skills, this yearbook would have been way out of line and locked up at the Censorship Board.
